

Terms and conditions (2018-05-24)

Marketagent.com ist ein Service der Marketagent.com online research GmbH

1) Subject matter

Volunteer survey participants acquire bonus points by actively participating in interviews/surveys of Marketagent.com. The survey participants have to decide whether and how often they would like to attend interviews/surveys. The participant receives expense compensation for both. Any taxes or charges resulting from reimbursement of expenses must be assumed by the survey participants.

2) Contract basis and validity of the GTC

Each survey participant accepts his/her registration with the present Terms as binding. Only these Terms and web sites referred to therein are content of the contractual relationship between the survey participants/volunteers and Marketagent.com. In practice the current version of Marketagent.com Terms and Conditions, published on this page, applies. Registered participants will receive a notification on changes to the Terms and Conditions via email. Changed Terms shall be deemed approved, if the respondents do not object in writing or by email. In doing this, Marketagent.com explicitly informs the survey participant on all the consequences. The objection must be received within 14 days after the notification on changes by Marketagent.com. Otherwise, the new rules are adopted. The submission of the objection is confirmed by Marketagent.com and results in a resolution of the contract by Marketagent.com.

4) Selection of survey participants

If more than the required number of respondents matches the criteria for a survey/poll, the choice is random. The number of bonus points does not matter in the selection. A right to participate in polls/surveys within a given time does not exist. Marketagent.com reserves the right, without giving any reason to invite any or all participants to surveys in accordance with the time and scale that is determined as necessary by Marketagent.com.

5) Remuneration for participating in surveys

Marketagent.com rewards participation in interviews/surveys with bonus points. The number of points per project will be determined by Marketagent.com, depending on the survey and its scale, and upmost binding for all participating subjects. Entitlement to a payment, apart from the redemption of bonus points, does not exist. Your decision is final.

The valid compensation expense is published under the menu item "Compensation Overview" and will vary depending on each survey and its length. A claim for compensation is only fully completed and usable, when surveys arrive at Marketagent.com. You can claim compensation from Marketagent.com for interview participation, only if the associated data have been received by us.

Marketagent.com paid to participate in polls / surveys under the current compensation program. The payment for the participation by each participant that is specified in the invitation/introduction and his/her form of compensation is determined according to the chart on the Marketagent.com website.

Marketagent.com reserves the right to adjust the amount of compensation. The change in the level of remuneration is published by Marketagent.com on the website under the menu item "Compensation Overview".

The collection of bonus points is possible by taking part in polls and other surveys of Marketagent.com. Other options (such as the spiking of the account by cash payments) do not exist. Bonus points will remain valid for 2 years.

6) Remuneration for the hiring of third parties

Additional fees may be obtained through the recruitment of third parties by the respondents. A third person has been recruited by a survey participant, if the third person names at least one existing participant as a reference, who actively participates on Marketagent.com. The payment will be made in a single transaction to the points account of the survey participant. The amount is published on the website, under the menu item "Compensation Overview". Bonus points will remain valid for 2 years.

7) Payout

Payment of the balance of the survey participant, if the participant wishes, can be fully or partially transferred to a bank account or via other payment alternatives, offered by Marketagent.com. The payment to a bank account is made by bank transfer or other forms of payment. For the current alternative payment offers, please see the website under the menu item "Exchange Market".

Each time, the current state of credit can be accessed via the homepage under the menu item "Balance". Marketagent.com does not guarantee for the accuracy of the information. Objections by the participant, regarding paid or not paid amounts must always be submitted in writing.

8) Figures provided

If a participant deliberately falsified the results of a project, e.g. submitted false information upon registration or in a survey/collection, and repeated application with different email addresses, or gives his password, Marketagent.com reserves the right to exclude that survey participant volunteer. The damage caused by the conduct of the participant/subject is at the expense of his previously earned bonus points. Marketagent.com reserves the right to the assertion of further damages.

Each registered participant/respondent may have only one account and is obligated to treat its credentials (username and password) as confidential. He/she is held accountable by Marketagent.com for the use of his user name and password.

If the password is used without authorization, the participant/volunteer is required to inform Marketagent.com and/or immediately change its password in the survey participant's question field. Changes of the user data are to be immediately entered by the survey participant.

9) Disclosure of information

The participant agrees that the information obtained by the polls and surveys is stored or handed over to third parties.

10) Update and change personal data

When changing his/her personal data, each survey participant has to make modifications to his profile on our website on his/her own. If no changes are communicated, documents/profits and bank transfers are considered as received by the survey participant in question, as if they were sent to the survey participant's last known address or transferred to the bank. Regardless, all survey participants/subjects are even annually invited to update their registration information via email.
